

Eye on ICAN

APRIL 2009 UPDATE

Great things are happening at ICAN. Without your continuing support, none of this would be possible. If you donated in 2008, our profound gratitude. If you can accelerate your 2009 donation, you will be positioning us as the leading cancer advocacy organization in the world.

Here's what's happening at ICAN:

ICAN Program Services

■ Everyone is urged to contribute items to the Saturday, April 18th, Trash and Treasure sale (formerly known as the ICAN Garage Sale or Flea Market!) presented by Friends of ICAN. We all want this to be the best Trash and Treasure ever. We really need everyone's support to make this happen!

Please remember, we will take anything except computer monitors. So that means we will accept clothes, toys, kitchen and gardening equipment, books, CDs, and DVDs, posters, paintings, and objets d'art, electronics and appliances, and whatever odds and ends you no longer need. Please call the office at **602-618-0183** to make arrangements for pickup of large items such as furniture.

■ Sell Your Life Insurance Policy and Make Substantial Money for Yourself and ICAN

With all of the financial and economic challenges present at this time, many individuals and businesses are searching for additional and alternative sources of raising money and liquidity. Life Insurance Buyer is a company that specializes in purchasing individually owned life insurance policies along with corporate owned and key man life insurance policies from people aged 65 and older (the company will consider purchasing the policy of a younger individual when significant health challenges are present). Life Insurance Buyer purchases all types of life insurance including term policies and even policies about to lapse.

There are a number of advantages in selling a life insurance policy. Often times the required premium payments have become too burdensome and expensive to keep the policy in force, and/or

(continued from previous page)

the needs for the insurance has dwindled or changed over time. In fact, a substantial percentage of people who own life insurance ultimately stop paying their premium payments at some point in time and ultimately forfeit their policies.

Life Insurance Buyer provides a free policy appraisal. Once the company purchases a policy from the insured, the insured receives a substantial lump sum cash payment and the insured is released from any and all obligations to make any further payments for the life insurance policy. The insured are free to use the money in any manner they wish including using the money to help offset stock market, real estate and/or business losses, pay for living expenses and medical care, supplement retirement living, or even to make charitable donations.

In support of ICAN, Life Insurance Buyer is making a significant financial contribution to ICAN with each and every policy purchased through the ICAN community.

To take advantage of this new ICAN Program, call the office at 602-618-0183 in order to receive your Special Courtesy Code Number to enter the Program or simply email us at contact@askican.org and ask for your Courtesy Code Number.
